### Business and Industry

Delivering customized solutions to thousands of clients in business, industry and government, we make the workplace an environment where employees are motivated and productive.

- Unsurpassed dining programs and catering
- Refreshment services featuring premium coffee, water filtration systems and vending
- Web-based service for ordering from restaurants, caterers and other providers
- Integrated facility management expertise—operations and maintenance, janitorial, and plant production equipment maintenance and sanitation
- Innovative catering and housing solutions to the oil and gas, military, mining railway, construction and forestry industries

### Colleges and Universities

ARAMARK aligns with the goals of higher education, ultimately helping campuses thrive. We serve students, faculty, staff and visitors, and provide facility services expertise at nearly 1,000 institutions.

- Residential dining and retail operations
- Master planning and venue design
- Convenience stores and coffee kiosks
- Late-night eateries, national and proprietary brands and casual theme restaurants
- Facilities management—custodial and grounds operations and energy management
- Construction project management and commissioning

### K-12 Schools

ARAMARK encourages healthy eating habits, increases meal participation, and creates safe, clean, comfortable learning environments to help students flourish in nearly 4,000 K-12 schools.

- Facilities management—maintenance, custodial, grounds and energy management
- Nutritious, high quality meals that students enjoy
- National school lunch and breakfast programs
- Award-winning, age-segmented dining brands and promotions
- Nutrition education and awareness
- Healthy snacks, catering, after school and summer food service

## One of America's Most Admired Companies

Built with integrity and respect, ARAMARK has consistently ranked as one of the top most admired companies in *FORTUNE* magazine.

### Healthcare

ARAMARK provides clinical support services that are core to patient care and directly impact the entire healthcare continuum, including patient, nurse, employee, physician and visitor satisfaction; operational efficiency and service excellence. Our facility, food and clinical technology services help more than 1,700 worldwide hospitals and healthcare systems deliver optimal care.

- Patient and retail food services
- Facility services, including environmental, asset and logistics management
- Clinical technology services, including clinical asset and technology management

### Senior Living

Our dining and facilities management services enhance the reputation of about 350 client facilities worldwide and directly impact thousands of residents of independent living, assisted living, and skilled nursing communities, who can feel secure, take pride in their surroundings and have a sense of well-being in a warm, friendly environment.

ARAMARK focuses on resident and employee engagement, service excellence and operational efficiency with every meal we prepare and serve, every space we clean and every piece of equipment we maintain.

### Sports and Entertainment

ARAMARK delivers the ultimate fan experience at sports stadiums, arenas and amphitheaters.
