

ARAMARK: A WORLD LEADER IN PROFESSIONAL SERVICES

ARAMARK is a leader in professional services, providing award-winning food services, facilities management, and uniform and career apparel to health care institutions, universities and school districts, stadiums and arenas, and businesses around the world.

In FORTUNE magazine's 2008 list of "America's Most Admired Companies," ARAMARK was ranked number one in its industry, consistently ranking since 1998 as one of the top three most admired companies in its industry as evaluated by peers and analysts. ARAMARK also ranked first in its industry in the 2007 FORTUNE 500 survey. ARAMARK seeks to responsibly address issues that matter to its clients, customers, employees and communities by focusing on employee advocacy, environmental stewardship, health and wellness, and community involvement. Headquartered in Philadelphia, ARAMARK has approximately 250,000 employees serving clients in 19 countries.

ARAMARK Corporation serves its diverse base of customers in three distinct areas:

ARAMARK Food and Facility Services

ARAMARK's Food and Facility Services encompasses a growing number of interrelated services – including food, refreshment, and other support services, and through ARAMARK Facility Services – for businesses, healthcare facilities, school districts, colleges and universities, conference and convention centers, national and state parks, sports and entertainment venues and correctional institutions.

Business & Industry

ARAMARK serves several million people annually at thousands of locations, delivering customized solutions to clients in business industry and government. Food services range from employee restaurants and catering to executive dining rooms and convenience stores. ARAMARK also provides office coffee and vending programs, including hot and cold beverages, snacks and light meals. Facility services experts provide innovative operational maintenance and housekeeping services designed to enhance the user experience and the life expectancy of facility environments. ARAMARK also manages conference centers and collegiate hotels.

Education

ARAMARK is a leading provider of food and facility services to colleges, universities and preparatory schools, serving over 200 million meals annually to students, faculty and visitors at over 400 institutions. ARAMARK provides residential dining and retail operations such as convenience stores, coffee kiosks, late-night eateries and branded restaurants. ARAMARK's facility services experts also provide more than 150 higher education clients with comprehensive operations and maintenance, custodial services, grounds keeping, energy management, or capital program management, and more.

ARAMARK also provides food and nutrition services to more than 400 K-12 school districts, helping clients increase student meal participation, improve service, boost student satisfaction and achieve cost reductions. Customized facility service solutions are provided to more than 200 school districts.

Sports and Entertainment

ARAMARK helps clients deliver the complete experience at recreation areas, convention centers, sports and entertainment venues, concert venues, museums, zoos and other popular tourist attractions. ARAMARK provides concessions, event planning, premium banquet and catering, cafés, retail merchandise and novelty sales, and recreational and lodging services to millions annually. ARAMARK helps clients enhance the overall experience with a complete line of facility services – ranging from operations

maintenance, venue cleaning and grounds maintenance to strategic and technical services such as energy management and capital planning.

Healthcare

More than 1,200 healthcare clients rely on ARAMARK for customized services that enhance the patient, resident, staff and visitor experience. ARAMARK offers diverse patient and retail food services, expansive facility options in housekeeping, plant operations and maintenance, customer service center and other support areas, and market-leading clinical technology services. ARAMARK's expertise creates environments of excellence that help healthcare partners optimize patient throughput, maximize workforce, asset and capital resources, and enhance patient satisfaction.

International

In addition to the United States, ARAMARK operates in 17 countries in Europe, North and South America, and Asia. Services abroad are similar to U.S. services – such as food refreshment and support services, facility maintenance and housekeeping – but vary by country. ARAMARK also provides lodging, food service, commissary service and facility management in remote sites, such as oil drilling platforms and mining camps. The largest international operations are in Canada, the United Kingdom and Germany, where ARAMARK is among the top three food service providers.
