SUPPORTING THE RED CROSS IN TURBULENT TIMES

The American Red Cross is working around the clock to aid people across the United States who’ve had their lives upended by a recent streak of natural disasters.

Along with recent hurricanes in the Gulf Coast region, this is also a very difficult time for people affected by the unrelenting wildfires in the West. Hundreds of thousands of people have been forced to flee ahead of these terrifying fires, and even more people continue to face dangerous, smoke-filled air. To help impacted residents, trained Red Cross disaster workers are providing shelter, serving them nourishing meals, offering sorely needed emotional support and more.

Aramark is proud to be one of the organizations to donate and support the Red Cross as they prepare for, respond to and help people recover from these disasters.

HONORING 30 TEAM MEMBERS FOR HISPANIC HERITAGE MONTH

We recently announced the names of our Hispanic Heritage Month (HHM) 30/30 honorees, who have gone above and beyond in response to the pandemic. These team members are also being recognized for their commitment to fostering a diverse and inclusive work environment that encourages workforce engagement and creates memorable consumer experiences.

The 2020 HHM 30/30 honorees are being recognized by Impacto, our employee resource group whose mission is to provide impactful contributions to the business that build a multicultural workforce, an inclusive workplace and awareness of Hispanic marketplace insights to support growth and consumer engagement. The 30 honorees are being celebrated during each of the 30 days of Hispanic Heritage Month.

You can join our Impacto ERG in celebrating the awardees on October 15th, during the virtual reception.
Beginning in March, our operations at Lake Powell Resorts shut down. Despite a two-and-half month gap in revenue, the account, which is part of our contract with the National Park Service, is poised to finish fiscal year 2020 on plan. It’s all thanks to a close-knit—but socially distanced—team and an increase in demand for outdoor experiences.

Lake Powell Resorts spans two states (Arizona and Utah), and hosts visitors and employees from around the world. Vice President of Operations Kelly Zwierzchowski attributes the success of the operations to an outstanding leadership team and a strong track record of hiring talent with diverse perspectives. “We are unique pieces of a puzzle that fit together for exceptional results,” Kelly said. “The trust and respect that we have for each other is what convinced more than 1,000 people to come back to work during COVID-19 and keeps everyone doing their part today.”

Together, these service stars make a pretty picture. Over the summer, they honored thousands of reservations and hosted nearly five million visitors. Not only did they operate the base business—which encompasses 97 canyons, 1,200 square miles, and 2,000 miles of shoreline—safely and in compliance with CDC guidelines for COVID-19 prevention, but they also managed a 15% increase in their houseboat and powerboat business.

ICYMI: VOTER REGISTRATION DAY

The 2020 U.S. elections are just over a month away. Are you registered to vote?

As an organization, our Be Well. Do Well. plan is focused on making a positive impact on people and planet. Fulfilling the important civic responsibility of voting is a way for each of us to have a similar impact as individuals. Voting offers us the opportunity to make our voices heard on issues and policies that matter most to each of us.

National Voter Registration Day may have passed, but we are still encouraging all eligible employees to register to vote so you can be part of the election on Tuesday, November 3, 2020. Ensure that you are registered to vote at your current address by clicking here. Also, if you need a reminder to cast your ballot, you can sign up here. Please remember to vote and...
A DIFFERENT APPROACH TO ABC DAY

Aramark Building Community (ABC) Day, our annual global day of community service, took on a new look this year due to the COVID pandemic. In the spirit of ABC Day, we changed our approach by supporting local communities globally in a variety of ways as adapted to their needs.

While in-person volunteer activities and group projects have been suspended, Aramark volunteers continued to be involved in their local communities through socially distanced donation drives with family, friends and neighbors. The local effort was led by Aramark Employee Resource Groups (ERGs) which create safe spaces for different community members and their allies.

ENGAGING WITH THE COMMUNITY AT CHICAGO PUBLIC SCHOOLS

Our people build community everywhere, every day—and there’s no better example of that spirit than Angila Faison, our Director of Community Engagement for Chicago Public Schools. For Angila, ensuring that we are a good community partner is more than just a job; it’s a passion.

**COMING SOON: BOOKMARK THESE EVENTS**

**IMPACTO SEIZING THE MOMENT WITH POSITIVITY AND RESILIENCE**

(SEPT. 30TH @ 2PM ET/11AM PT)

The past several months have reminded us that, in our best efforts to plan and control, things can and will go very wrong. What remains true is that the one thing we have complete control over is our ability to choose how we will navigate uncertainty, and that choice dramatically impacts HOW we thrive and stay whole even in our most challenging times.

In this session, Paula Goudsmit of High Impact Coaching and Consulting will provide proven strategies to increase your positivity, adaptability and perspective in order to realize more joy and balance on a consistent basis despite changing circumstances. There will be time for Q&A at the end of the session.
