

## Elizabeth Terrell

SVP of Growth &  
Chief Development Officer  
Aramark US

Elizabeth is a seasoned commercial executive with over 30 years of experience leading growth and transformation across global markets. As Senior Vice President and Chief Development Officer for Aramark US, she is spearheading the company's evolution into a world-class growth organization, focused on accelerating revenue and enhancing client partnerships across the Aramark enterprise.

Elizabeth previously held senior roles at UPS, from Sales Associate to Chief Revenue Officer for the Americas Region, where she led go-to-market strategies and revenue initiatives across the US, Canada, and Mexico. Her leadership is defined by a hands-on approach, meaningful client engagement, and a commitment to innovation.

Elizabeth holds a bachelor's degree from Texas State University and a Master of Arts in International Business from Webster University.
