

## Arnd Rune Thomas

President & CEO  
Aramark Germany

Arnd Rune Thomas is President and CEO of **Aramark Germany** and, since 2026, **Austria**, with overall responsibility for strategy, operations, service delivery, and business performance across both markets. He leads with a strong focus on operational excellence, client partnership, and sustainable growth.

With more than two decades at Aramark, Arnd brings extensive international leadership experience spanning operations, key account management, and business development at national, European, and multinational levels. He has led complex, multi-site operations and major client relationships across Europe, as well as international assignments supporting concept development and market positioning in the United States, China, and Brazil.

Prior to his current role, Arnd served as Managing Director of Operations in Germany and previously held senior roles including Director of Operations and European Account Director. His leadership combines deep operational expertise with a strong understanding of global client needs and cross-market collaboration.
