

## George Wang

President & CEO  
Aramark China

George Wang is President and CEO of **Aramark Service Industries China**, with full responsibility for strategy and operations across the country. He leads a workforce of more than 45,000 employees and is focused on building a strong hospitality culture while delivering consistent, high-quality service experiences.

With nearly three decades at Aramark, George has held senior leadership roles across operations, sales, and healthcare. His career includes establishing sales, training, and leadership academy frameworks, supporting long-term growth, and strengthening Aramark's market position across healthcare, business & industry, and education in China.

George's leadership contributions have been recognized with multiple Aramark honors, reflecting his impact on growth, people development, and client retention. He holds an EMBA from the Peter F. Drucker Academy in Beijing.
