

Jaime Thiebaut

President & CEO
Aramark Spain

Jaime Thiebaut is President and CEO of **Aramark Spain**, leading the strategic direction and operations of the business across more than 1,800 client locations nationwide. He is responsible for driving sustainable growth, operational excellence, and a strong value proposition for clients and consumers across Spain.

Under his leadership, Aramark Spain delivers foodservice solutions across corporate, education, healthcare, and leisure sectors, with a strong emphasis on quality, safety, and service consistency. Jaime works closely with the executive leadership team to implement service models tailored to the specific needs of diverse client environments.

Jaime brings nearly 20 years of leadership experience at Aramark, having held multiple senior roles overseeing large-scale, complex operations. His background also includes experience in the services and consumer goods sectors, providing strong insight into market dynamics and customer needs.

He is recognized for a results-driven, people-focused leadership style centered on operational rigor, process optimization, and the development of high-performing teams. Jaime holds an Executive MBA from IE Business School.
