

Milan Pech
President & CEO
Aramark Czech Republic

Milan Pech is President and CEO of **Aramark Czech Republic**, with responsibility for leading the company's strategy, operations, and overall business performance across the market. He focuses on driving sustainable growth, strengthening service delivery, and building resilient, high-performing operations that create long-term value for clients, consumers, and employees.

Milan brings extensive senior leadership experience from the foodservice, facilities, and FMCG sectors, having held chief executive and general management roles in both Czech and international organizations. His background includes leading businesses through transformation, performance improvement, and growth in competitive environments, working closely with owners and leadership teams to align strategy with disciplined execution.

He is recognized for a transparent, accountable leadership style grounded in clear objectives, measurable outcomes, and strong engagement with teams. Milan places particular emphasis on operational rigor, customer focus, and the development of strong leadership capability across the organization.

He holds a degree in International Trade from the University of Economics in Prague.
