

Stijn Crombé

President & CEO
Aramark Belux

Stijn Crombé is President and CEO of **Aramark Belux**, where he leads the strategic direction and performance of the business. Over the past decade, he has guided the organization through sustained growth, delivering consistent revenue increases, margin improvement, and successful expansion initiatives.

His leadership has been central to driving growth through disciplined execution, building high-performing teams, and successfully integrating acquisitions. Stijn brings a strong commercial mindset and a clear focus on long-term value creation.

In addition to his role at Aramark, Stijn serves as President of UBC, the Belgian catering federation, and as a Board Member of Comeos, where he actively engages with government and industry stakeholders on sector development and outsourcing trends.

Previously, Stijn held senior leadership roles across the services and consumer sectors, including COO of Autobar Belux and operational leadership positions with ALDI Belgium. He is known for a leadership style grounded in clear vision, courage, and strong connection.
