

Scott Beer

President & CEO

Aramark Facilities Management

Scott Beer leads **Aramark Facilities Management**, delivering integrated facility solutions across education, business and industry, corrections, conference centers, and sports and entertainment. With more than 25 years of experience, Scott is known for his technical expertise, operational excellence, and commitment to client success.

Scott began his career at Aramark as a Technical Services Representative and Start-up Engineer, later serving as Director of Facility Services for multiple school districts. He has held leadership roles of increasing responsibility, ranging from District Manager to Regional Vice President and Executive Vice President prior to assuming his current role.

Scott's leadership is defined by continuous improvement, customer engagement, and building high-performing teams. He holds a Bachelor of Arts in Labor Management Relations from SUNY Potsdam.
